Rustic brown water resistant leather lace up boot

- Revolutionary CushionCore comfort technology absorbs and disperses energy as your heel strikes down while generating rebound at the front of your foot
- Dual-density midsole – World first technology of two compounds injected into the midsole providing superior shock absorption at the heel and providing rebound at the forefront as you step
- Thermo Polyurethane (TPU) outsole with aggressive self-clearing tread pattern providing superior grip, stability and abrasion resistance
- Super cushioning Comf2Bull airflow footbed of soft PU (polyurethane) that's also antibacterial and washable
- Coolmax® thermal regulating lining fabric helps move perspiration away from the body to the fabric's outer surface, where it can evaporate quickly
- Scratchguard toe leather protection
- Padded collar and tongue
- Sizes 5-13
