WIDE-FIT

John Bull's premium boot offer—featuring the quick closure and simple release BOA® Fit system that provides custom comfort and easy access to get your boots on and off quickly.

- Revolutionary world-first CushionCore 3.0 comfort technology combines two compounds of PU injected into the midsole providing superior shock absorption at the heel while also providing rebound at the forefront as you step
- TPU outsole with aggressive self-clearing tread pattern providing superior grip, stability and abrasion resistance
- Comf2Bull Quad-Max footbed that's antibacterial and washable
- Quick closure and simple release BOA® Fit system. Adjustable for a personalised fit
- Broad fitting 200 joule impact resistant Type 1 steel toe cap
- Coolmax® lining fabric helps transport moisture away from your foot, through the fabric, where it can evaporate quickly
- Extra heavy-duty heel guard and a TPU toe guard for extra scuff protection
- L-Protection® non-metallic penetration resistant insoles resist penetration even by small diameter nails and other objects

PU - Polyurethane | TPU - Thermoplastic Polyurethane
EVA - Ethel Vinyl Acetate | PUR - Polyurethane and Rubber

Refer to our website for further details of the 30 day comfort guarantee and the manufacturer's 6 month warranty.
