CUSHION  
CORE 3.0

Fusing the best safety and comfort features including our tried and tested CushionCore 3.0 comfort technology—the Fusion 3.0 will allow you to leave hard work at the door with its elastic side for easy on and easy off.

- Revolutionary world-first CushionCore 3.0 comfort technology combines two compounds of PU injected into the midsole providing superior shock absorption at the heel while also providing rebound at the forefront as you step
- Nitrile Rubber outsole with aggressive self-clearing tread pattern providing superior grip, stability and abrasion resistance. Rubber outsole increases cut and slip resistance and is resistant to hydrolysis and microbial attack
- Super cushioning Comf2Bull Quad-Max footbed of a soft PU with a cushioning heel that's also antibacterial and washable
- Black water-resistant Bullhide leather with orange High-Vis stitching
- Broad fitting 200 joule impact resistant Type 1 steel toe cap
- Heavy duty TPU toe guard for extra scuff protection

PU - Polyurethane | TPU - Thermoplastic Polyurethane  
EVA - Ethel Vinyl Acetate | PUR - Polyurethane Rubber

Refer to our website for further details of the 30 day comfort guarantee and the manufacturer's 6 month warranty.
