Perfect for hiking or general wear on the farm—the Highlander is tough with CushionCore technology, Coolmax lining and water-resistant leather.

- Revolutionary world-first CushionCore 3.0 comfort technology combines two compounds of PU injected into the midsole providing superior shock absorption at the heel while also providing rebound at the forefront as you step
- Padded collar and tongue
- Comf2Bull Quad-Max footbed that's antibacterial and washable
- TPU outsole with aggressive self-clearing tread pattern providing superior grip, stability and abrasion resistance
- Coolmax® lining fabric helps transport moisture away from your foot, through the fabric, where it can evaporate quickly
- Scratchguard toe leather protection

PU - Polyurethane | TPU - Thermoplastic Polyurethane
